

10 March 2010

Dear Parents,

Progress Report for Term 1 2010

We have had a great 10 weeks of learning activities in our classrooms, CCAs and learning journeys.

This week, 8 – 11 March, our Sec 1 and 2 pupils have had an exhilarating experience with nature, challenging themselves with our Outdoor Learning Experience (OLE) programmes.

On **Friday, 12 March 2010**, your child/ward will be receiving the Term 1 Progress Report. Please ensure that you have a discussion on his/her development and areas for improvement. Our Form Teachers have invited some parents to meet them this Friday. All parents will be invited at least once for Parent-Teacher Meeting (PTM) at the end of each Term. There will be no lessons during each of the PTMs. Form Teachers will be meeting parents from **7.20 am to 12.30 pm**.

During the one-week March school holidays from 15 – 19 March, please ensure that your child/ward is appropriately engaged with learning and development. He/She should also be prepared for Term 2 which starts on Monday, 22 March with proper grooming and attire.

We continue to strive to provide an enriching learning environment with deep care for all our pupils.

Thank you and warmest regards.

Stephen Chin
Principal
